## **Conditions of Volunteer's Participation and Release**

Crayons to Computers owes much of its success to our hard-working volunteers. Without their time and efforts, many classrooms and students in the greater Cincinnati area would lack the basic tools for learning. In this way our volunteers are an invaluable resource. We also realize, however, that due to the inherent nature of volunteer work, there are some risks which will always exist.

Any rights you may have on behalf of yourself and/or child concerning any injury, loss, accident, illness, death, damage, or expense from participation as a volunteer will be affected by the terms contained herein. Crayons to Computers requires that all volunteers and/or his or her parent/legal guardian understand and agree to all of the participation and release requirements and return a completed and signed form before participating as a volunteer in any activity connected to or associated with Crayons to Computers.

In consideration of permitting me or my child to participate as a volunteer at Crayons to Computers, and for other valuable consideration, I acknowledge and agree, for myself and/or for my child, and for my executors, and heirs, and assigns, that there are certain risks of physical injury as a result of my or my child's participation in volunteer activities at Crayons to Computers, and I agree to assume the full risk of any injuries, damages, or loss which I or my child may sustain as a result of participating in any and all activities connected to or associated with Crayons to Computers.

Therefore, on behalf of myself and/or my child and any applicable executors, heirs, and assigns, I hereby agree to release, waive, forever discharge, covenant not to sue, indemnify, and hold harmless (collectively, "Release and Waiver"), Crayons to Computers, Inc. and its affiliated entities, shareholders, directors, officers, employees, agents, any other person related to Crayons to Computers, Inc., (collectively, the "Releases"), and other volunteers, from any and all liability, claims, costs or expenses, including attorney's fees, demands, obligations injuries, illnesses, or causes of action of any nature whatsoever (collectively, "Claims") which I might assert, on my own or my child's behalf, and which result in any manner from my or my child's participation in volunteer activities by others, and I hereby agree to indemnify, defend, and hold harmless the Releases against any Claims brought by others which result in any manner from my or my child's participation in Crayons to Computers' activities.

I understand that Crayons to Computers may use my or my child's image, portrait, or photograph for promotional and business purposes, and hereby release Crayons to Computers and other Releases from any liability resulting from such use. I consent to the use of my likeness for promotional online and print advertising, or in any other media worldwide in connection with volunteering activities with Crayons to Computers, without limitation and without additional compensation worldwide, except where prohibited by law.

I hereby acknowledge that I fully understand and accept the entirety of the foregoing statements. I knowingly and voluntarily accept the Release and Waiver, and agree to be bound by its content and meaning on my own behalf.

# Health Announcement – Coronavirus Monitoring

## Visitor/Volunteer Acknowledgment

Crayons to Computers recognizes the threat of coronavirus and we are closely monitoring the developments around the globe to ensure that we're highly prepared.

The safety of our staff, volunteers, and the people in the communities we serve is our greatest priority.

We will continue to observe the advice of the UN World Health Organization (WHO), US Center for Disease Control and Prevention (CDC) and relevant state and local authorities and take proactive measures to minimize the risk of coronavirus transmission.

For the protection of our staff and volunteers, we ask that you not be on site if you have:

- Experienced symptoms associated with the COVID-19 virus, including cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, fatigue, or new loss of taste or smell within the last 14 days
- Been exposed to someone who has tested positive for COVID-19 within the last 14 days
- Traveled to any foreign country in the last 14 days
- Been on a cruise or in an airport in the last 14 days
- Attended an event with more than 10 people in the last 14 days

While on site, we ask that you abide by the following CDC guidelines:

- Wearing cloth face coverings in public settings
- Maintaining social distancing of 6–10 feet from staff and others
- Washing and sanitizing hands, covering coughs/sneezes, avoiding face touching, and appropriate glove usage

We reserve the right to ask any person not following such guidelines to leave the premises.

Crayons to Computers will continue to monitor the CDC for the latest information about COVID-19 and may update the guidelines set forth above accordingly.

I affirm that I meet the health standards and will abide by the guidelines identified above. I agree that should I become ill or show symptoms that could be related to COVID-19, I will inform Crayons to Computers of my symptoms or illness, leave the site immediately and not return until I am symptom free for 14 days after the first assessment.
